WORKSHOP

B. Brisbane Acres Density Transfer Provisions, potential amendment per Housing Element Program 2.G.1

Senior Planner Johnson gave the staff report for the workshop on the Brisbane Acres Density Transfer ordinance. He stated that the objective of the workshop is to consider whether a potential amendment to the density bonus provisions in the zoning ordinance was warranted, to broaden the program and encourage more housing development while also expanding the City's open space lands. Senior Planner Johnson answered questions from the Commission and outlined the criteria for properties to be eligible for density transfer and broadly, some potential changes to the ordinance. The Commission indicated that they were open to considering amendment to the density bonus regulations, but, as part of a follow-up workshop, would like to see examples of built sites and their densities.

C. Zoning Penalty Fee

Principal Planner Ayres gave the staff report. After discussion, the Commission directed staff to pursue Municipal Code amendments to address the Zoning Penalty Fee's basis.

ITEMS INITIATED BY STAFF

Director Swiecki announced that this meeting would be his last meeting as he will retire at the end of the year and Principal Ayres will act as Interim Community Development Director.

ITEMS INITIATED BY THE COMMISSION

There were none.
